

Sprint 2 Report, Tagrides, 2/26/18

Actions to stop doing:

- Big tasks that involve lots of subtasks
- Make different branches for each user story

Actions to start doing:

- Split up tasks to be smaller
- Make git branches more logical

Actions to keep doing:

- Consistent meetings and communications
- Code walkthroughs
- Pull requests

Work completed/not completed: This is a list of the user stories that were completed during the previous sprint, and a list of the user stories not completed during this sprint (but which were part of this sprint, and were in the sprint plan).

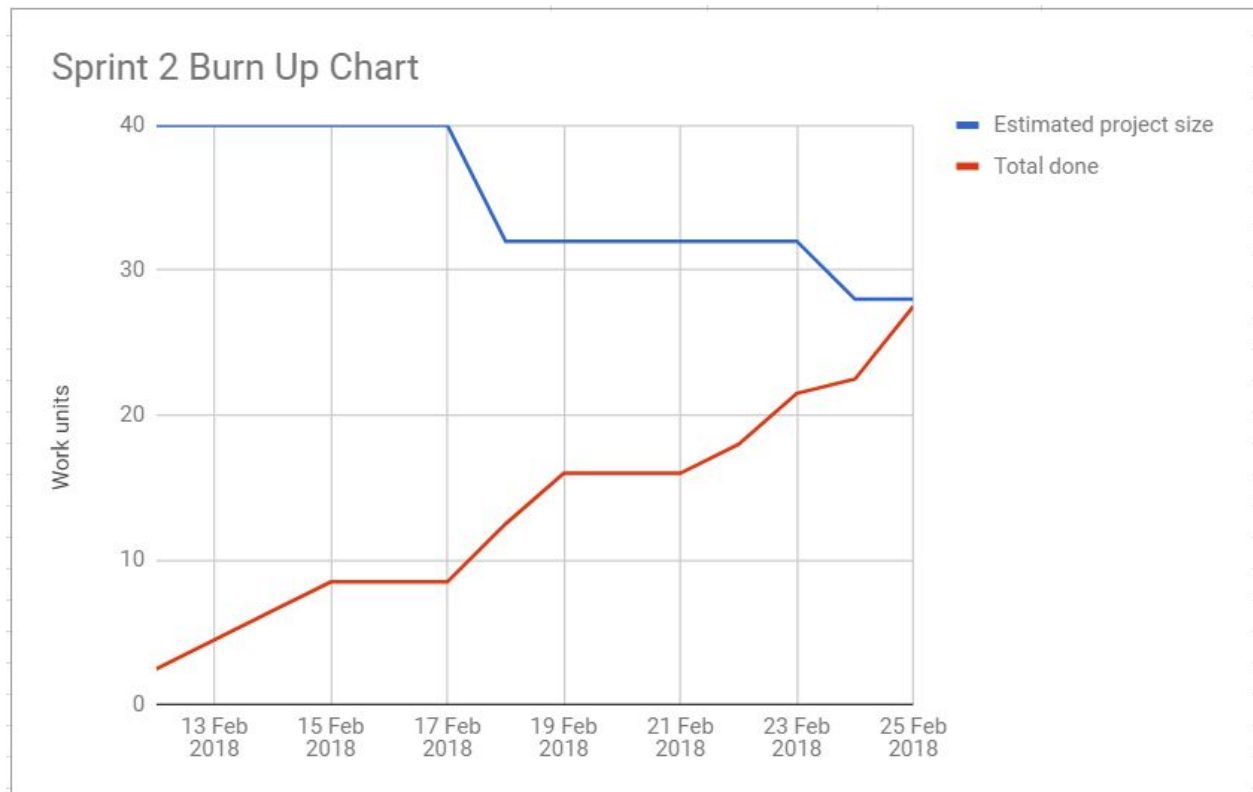

Completed:

- As a driver or rider, I want to be able to create an account and be able to login/logout using Android.
- As a rider, I want to be able to get driven to campus.

Not Completed

- As a driver, I want to be able to drive riders to/from campus

Work completion rate:

User Stories Completed	User Stories Not Completed
<ul style="list-style-type: none"> As a driver or rider, I want to be able to create an account and be able to login/logout using Android. 	<ul style="list-style-type: none"> As a driver, I want to be able to drive riders to/from campus
