

Sprint 3 Report, Tagrides, 3/10/18

Actions to stop doing:

- Prioritize tasks and have clear communications on who is doing what

Actions to start doing:

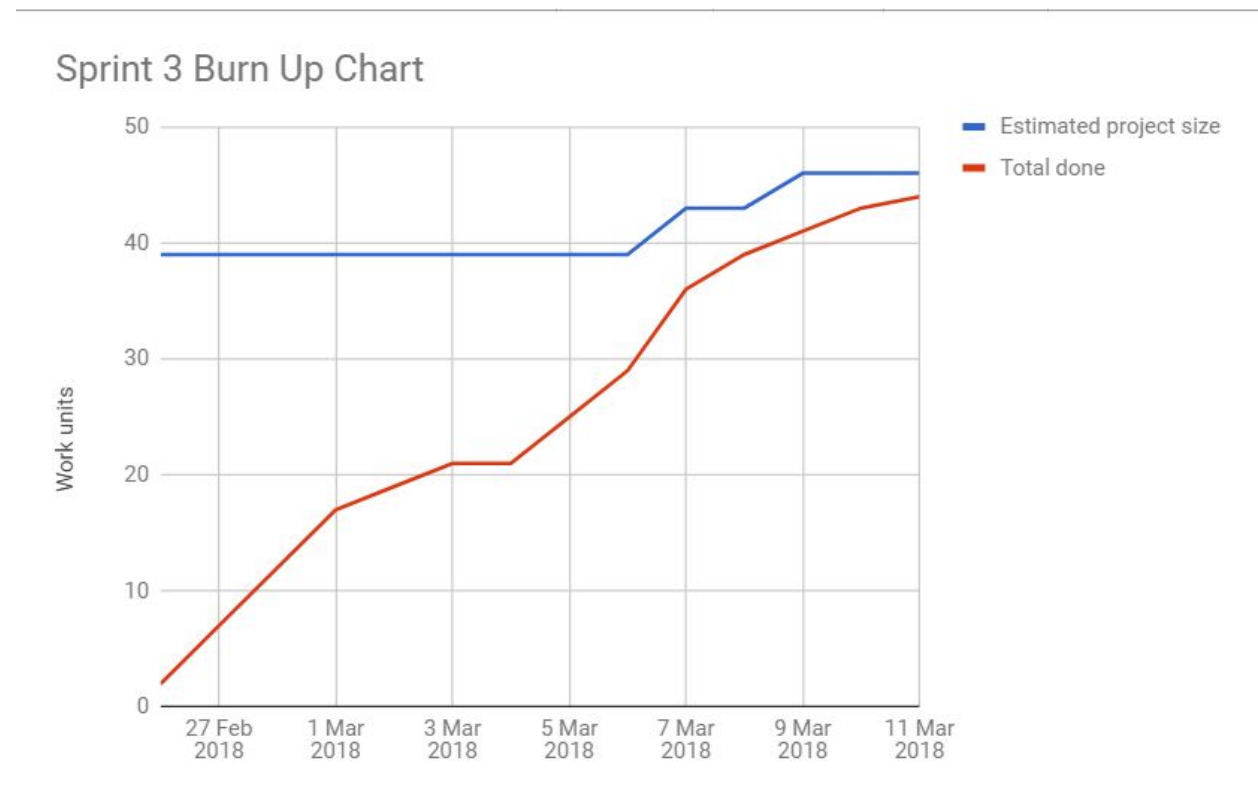

- Split tasks into small independent tasks
- Physical scrum board
- One week sprints

Actions to keep doing:

- Coding sessions when we all meet

Work completed/not completed: This is a list of the user stories that were completed during the previous sprint, and a list of the user stories not completed during this sprint (but which were part of this sprint, and were in the sprint plan).

Work completion rate:

User Stories Completed	User Stories Not Completed
<ul style="list-style-type: none"> As a driver I want to only see available riders to accept. 	<ul style="list-style-type: none"> As a user I want to access different parts of the app through a menu bar
<ul style="list-style-type: none"> As a rider, I want my location detected automatically when I request a ride. 	
<ul style="list-style-type: none"> As a rider, I want to be able to see my location on a map. 	
<ul style="list-style-type: none"> As a driver/rider I want to be able to rate/report my driver/riders.
